A patch test (allergy test) is requested 48 hours in advance of all color services. Guests may refuse the 48 hour patch test and instead fill out a questionnaire regarding their allergy history. Only guests receiving services are allowed on the clinic floor. The Aveda Institute Minneapolis does not provide services to children 5 years old and younger. Children must be at least 12 years old to receive technical services and 16 years old for massage and body treatments. Guests under 18 years of age must have written legal guardian permission at the time of check-in to receive services. Menu prices and services are subject to change without notice. Massage services will be taxed.
