We take pride in the level of skill our students demonstrate. However, in the rare event that a service does not meet your expectations we must be informed within **48 hours** of the original service to be considered for a redo pending Institute approval. Please be advised we offer redos only, no refunds.

The Aveda Institute New York is happy to reserve your appointment. We request that you cancel any reservation within 24 hours that you cannot meet so that the students have an opportunity to learn with another guest.

Patch test policy: A patch test (allergy test) is required for all hair color services.

All clients must be 12 years of age or older to receive services. Only guests receiving services are allowed on the clinic floor. Children under 12 years of age cannot be left unattended in the waiting area.

Prices subject to change without notice. All Services are performed by supervised students. The Aveda institute New York is licensed by the State of New York, New York Sate Education Department.
